

Supreme Court Insight Collection

Explore history-changing cases and the judicial process

Supreme Court Insight Collection is an invaluable academic resource combining Supreme Court heard cases (1897-present) with certiorari denied cases (1954-present). This dynamic collection supports research and teaching across law, political science, history, civil rights, and gender studies through case histories and indexing tools.

SUPREME COURT RECORDS & BRIEFS

Dockets, oral arguments, petitions, merits briefs, amicus curiae filings and joint appendices.

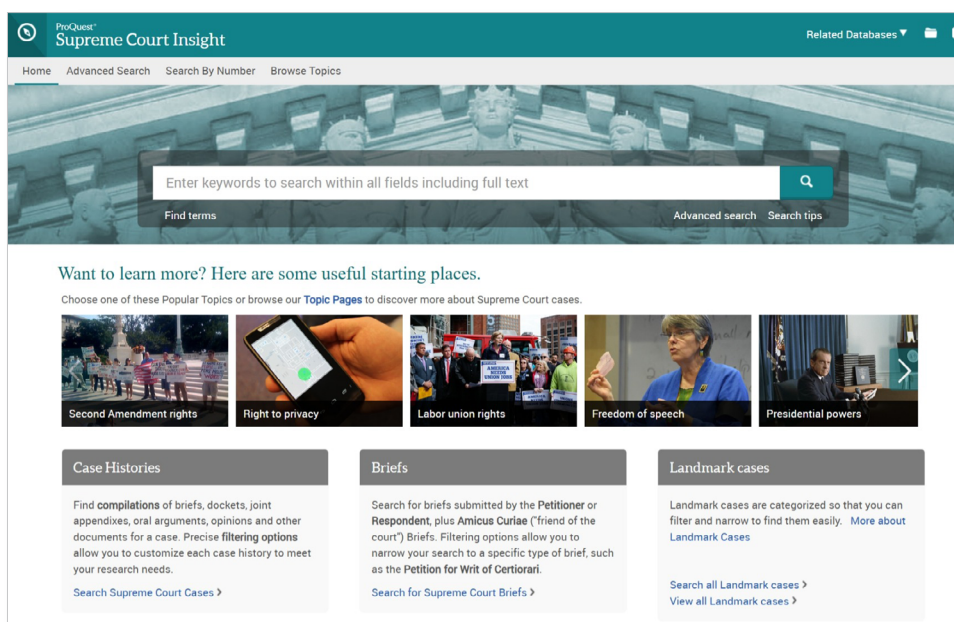

CERTIORARI DENIED CASES

Access to denied case records and briefs from 1954 to present, enabling comparative analysis with heard cases.

DISCOVERY TOOLS

Case histories organized by petition and merit stages, select topic pages, advanced search, and harmonized subject indexing.

ProQuest
Part of **Clarivate**

Supreme Court Records & Briefs

- **Dockets:** Record of all official case actions and Court orders.
- **Petitions:** Writ of certiorari requests asking the Court to hear a case.
- **Merit briefs:** Petitioner and respondent arguments on the case.
- **Amicus curiae filings:** "Friend of the court" briefs from interested third parties.
- **Joint appendices:** Essential lower court records submitted for Court review.
- **Oral arguments:** Written transcripts of Court proceedings.
- **Opinions:** Includes vote and opinion, case summary and full-text PDF of Supreme Court document.

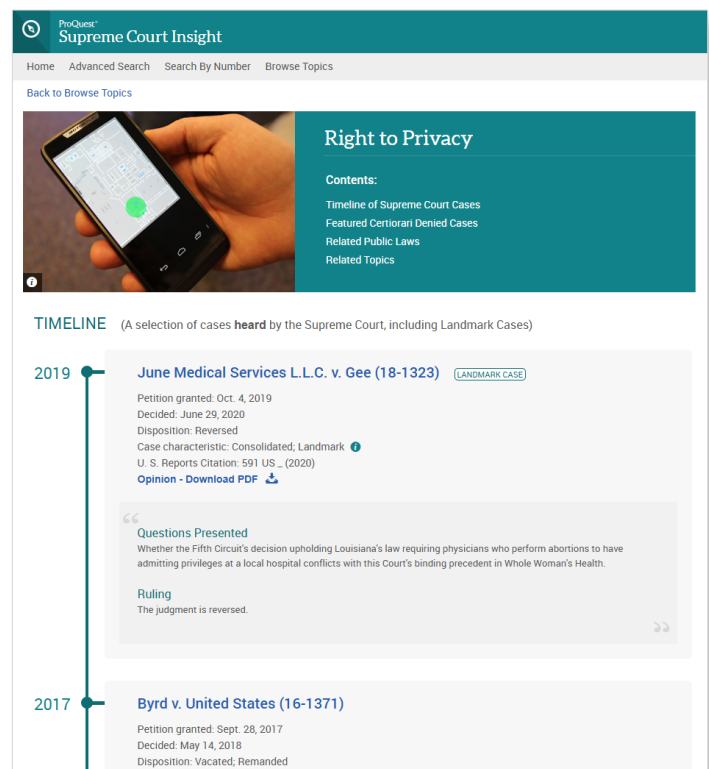

Certiorari Denied Cases

- **Unprecedented Access:** Unique collection of Supreme Court paid cases denied review, not available from any other online source.
- **Comparative Analysis:** Study patterns between denied and accepted cases to understand Court decision-making criteria.
- **Research Value:** Review denied cases with dissenting opinions to identify emerging legal trends and future litigation strategies.
- **Historical Context:** Track societal changes through denied cases spanning 70+ years of judicial history.

Discovery Tools

- **Case Histories:**
 - Dynamic compilation pages organized by Petition and Merit stages
 - Content searchable within specific cases or across collection
 - Cases organized from petition through final resolution
 - Clear display of case progression and judicial process
- **Document Navigation:** Filter content by document type and stage of case.
- **Topic Pages:** Browse and explore cases by topics with summaries of questions presented, rulings, and case details.
- **Advanced Search:** Search by Justice, court of origin, organizations, and case participants.
- **Indexing Features:** Harmonized subject indexing with landmark case tagging and amicus position notation.
