

ProQuest  
Ebook Central™

# We're supporting your curricula needs with a new unlimited, multi-use DEI ebook subscription.

Did you know that our library already has access to thousands of ebooks that can help you incorporate diverse and inclusive voices into your curricula and programs?

Incorporating ebooks that address the areas of diversity, equity, inclusion and social justice is critical.

Our library subscribes to the Diversity, Equity and Inclusion (DEI) Ebook Subscription via Ebook Central – providing a wealth of scholarly ebooks that represent all users, regardless of gender, race, sexual orientation, physical ability, age, and political or religious beliefs covering topics like:

Indigenous  
Studies

Asia  
Studies

Jewish  
Studies

Black  
Studies

Disability  
Studies

African  
Studies

Middle Eastern  
Studies

Latino and Hispanic  
Studies

Non-English  
Titles

Poverty  
Studies

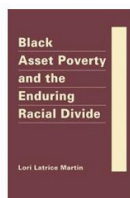

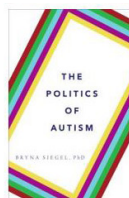

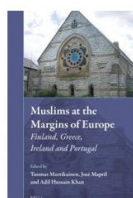

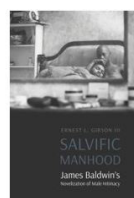

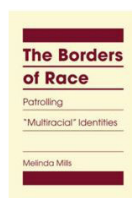

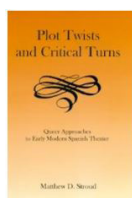

Gender and Sexuality  
Studies

Islamic  
Studies

Women's  
Studies

Explore thousands of titles. Reach out to a librarian today!

# Getting Started with Ebook Central

## MAKE YOUR RESEARCH EASY WITH EBOOK CENTRAL

Bookshelves for Managing Content

Automatic Citations

Highlighting & Notes

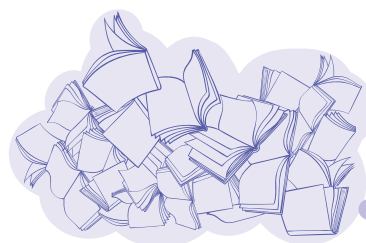

Anytime, Anywhere Access

Downloadable on Any Device

**Ask your librarian for more information!**

- 1** Go to your library's website to **launch Ebook Central**.
- 2** Choose among 10 different interface languages.
- 3** Conduct a simple or advanced search that can be narrowed by publication year, relevance, subject, and other parameters. Search for exact phrases by putting them in quotations (e.g. "autism spectrum disorder").
- 4** Select the title to **enter a landing page** that provides key information about the ebook including a description, download availability, and copy and print allowances.
- 5** Open the ebook and **navigate** by scrolling or flipping through pages. Search for keywords within the ebook and jump to relevant chapters.
- 6** Take notes, highlight text, and bookmark pages, all of which are stored on your bookshelf.
- 7** Create a proper citation in your choice of format. Citations are automatically created when you copy and paste text and print pages and chapters to PDF.
- 8** Manage research in your bookshelf with folders and other tools. Share ebooks and folders with peers.
- 9** Download ebooks or specific chapters to use offline. Enjoy ebooks on-the-go on any mobile device with the independent Bluefire Reader.
- 10** Enjoy ebooks on-the-go on any mobile device with the independent Bluefire Reader.
